"Every human being has a great, yet often unknowing gift to care ...  
to be compassionate ...  
to become present to the other ...  
to listen ...  
to hear ...  
to receive ...

If that gift would be set free and made available, miracles could take place."

Henry Nouwen

SERVANT OF GOD

Mother Mary Angela

We dedicate the 1981 Angelican to Mother Mary Angela Truszkowska, the inspired and saintly foundress of the Felician Sisters, whose daily love-life with God was a natural overflowing of a heart, spirit, and mind that had filled gradually with the best of knowledge, kindness, and spiritual sensitivity that European culture had then to offer. Hers was a great-mother's heart that embraced all of God's needy —

she cared ...  
she was compassionate ...  
she was present to others ...  
she listened ...  
she heard ...  
she received ...

A miracle took place. She became a person of destiny, a magnanimous giver, a foundress of one of the first communities of women in Europe who combined the active and contemplative ways of life. In 1874, she witnessed five of her sisters departing for missionary work in America. Her beatification is now in process.

FACULTY

MOTHER BERNARDA MARY  
PRESIDENT

Your theme centers on hope. Today hope seems to be on the lips of individual persons and even upon whole peoples. It is as big as a newly born nation and yet as personal as an individual's own dignity. Each one understands hope in the measure of his own possession of it. Those bound by hunger, ignorance, disease can know it very little. Those shackled by their own selfishness and passion hardly realize its presence and its need as a life principle.

On the other hand, true children of God, who know Him and themselves as God's creatures, find in hope and with hope, daily opportunities to love, to choose, to create, and thereby to grow in strength of their personhood.

Sooner or later you will find a way  
To feel like a sunshine even on a cloudy day  
To feel like morning in the dead of a night  
Sooner or later it's gonna be all right  
Now don't be thinkin' your life's a mess  
Rather start thinkin' in terms of happiness

And it's gonna happen  
Just decide where you're going  
Get out in the open  
And start blazin' your own trail again

It takes time sometimes to figure out  
That there's nothin' to worry about  
And that there's plenty to be thankful for  
It takes time sometimes to know the score  
See, everybody's got a smile inside  
So put it on your face and wear it with pride

And it's gonna happen  
Just decide where you're going  
Get out in the open  
And start blazin' your own trail again  
Time to start BLAZIN' YOUR OWN TRAIL AGAIN!

O.L.A.'s student council was revived late in the school year. Their one significant accomplishment was establishing a student bulletin board in the lunch room. Their plans for next year include organizing a soccer team and student I.D.'s.

PH

CLUBS

## Basketball And Softball

The Angels Basketball team, coached by Sister Jacqueline is showing promise for next year. Some of the teams they played this year were John F. Kennedy and Kosciuszko of Enfield and Mary Immaculate Academy of New Britain. Team members comprise Sue Ayers, Melanie Furnas, Laura Giuliano, Rachelle Jenkins, Debbie Pilch, Sue Wlazlo, Kelly Slamon, Nicki Smith, and Kristine Stockley.

The Angels Softball Team includes Gina Camerota, Dawn Wascholl, Pat Arico, Sue Cote, Lynn Foy, Emily McKenzie, Anne McNeil, Selina Camerota, Michelle Dumeny, Maria Caronna, Jennifer Katkavich, Kim Masamery, Sheila Rowan, and Nichole Smith.

# Cheerleading

This year's cheerleading team made an outstanding comeback after an absence of three years. The team placed first in the Hartford Deanery competition and merited enough points at the Connecticut State Championship to perform in the New England competition held at Boston College, on April 12. School trophies were awarded from the Hartford and State competitions. The team also received individual trophies from the state competition.

Team members include — captain Rita Dumoulin, co-captain Kristine Stockley, Tracy Dumoulin, Francine Miodonka, Tracey Carey, Lisa Russell, and Dawn Carlson.

# Science & Fruit Bowls

As Science Students Match Wits — Both sides, the Asteroids and the Comets, had to be prepared to answer questions to nine categories in Biology and Chemistry. The Comets excelled with a score of 43 to 30.

O.L.A.'s first "Fruit Bowl", organized by Mrs. Renee Bertrand, proved to be a huge success and unique entertainment. More than half the gym students participated in this event.

ACTIVITIES

# Frosh Day

The Freshmen and other new students were "initiated" into OLA in early September. The day, which was planned by the seniors, proved to be fun for all. The "Frosh" were dressed as clowns and participated in such activities as "Old Mac Donald's Farm" and an army drill aided by Lt. Bertrand. The day ended with an informal get-together and lunch provided by the Class of '81.

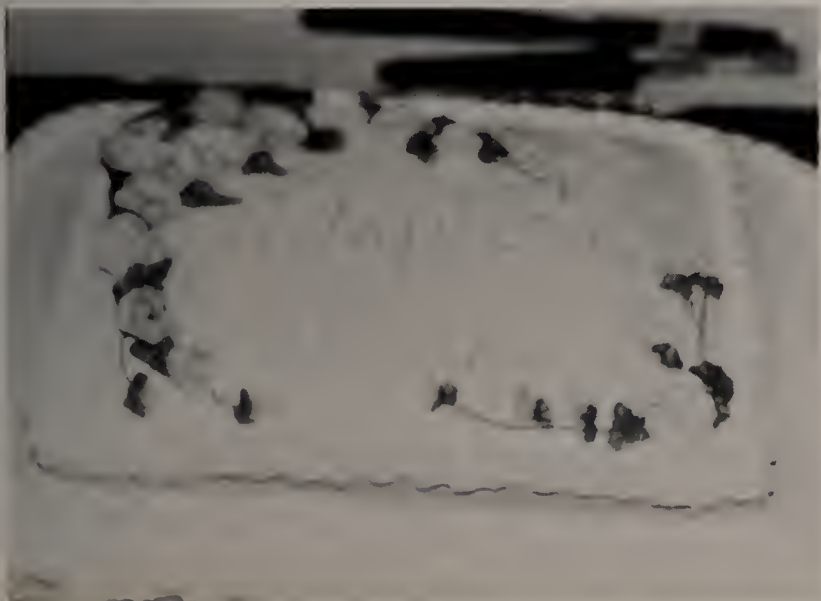

# Adoption Day

Adoption Day, one of the more special traditions at OLA, involves both the Junior and Freshmen classes. The Juniors "adopt" a little sister from the Freshmen class and it becomes official on this day. Lasting friendships evolve from this tradition. In this year's Adoption Day, the Juniors presented their newly acquired little sisters with a certificate, corsage, and gift on stage. Jackie Dumoulin and Susan Ayers narrated the event.

# Christmas

Christmastime at O.L.A. means sharing, celebrating, and remembering Jesus Christ. The student body participated in a collection for the prisoners and the senior Sisters. The sophomores organized the Eucharistic Celebration and performed a play. The day ended with the students exchanging gifts before parting for the Christmas vacation.

# Ring Day

As always, Ring Day was a memorable and beautiful occasion. The Juniors received their Class Rings at the Eucharistic Celebration of which Father Ricciardi was the celebrant.

Celine Landry and Ellen Valley carry to the altar the Daisy Chain, a traditional O.L.A. symbol. Other students (not seen in picture) follow — each carrying a symbolic gift.

## Catholic Schools Week

(left) The entire student body assemble heart-tray favors for patients at Johnson Memorial Hospital in Stafford Springs, Connecticut for Valentine's Day. (above) Paper Making was one of the mini-projects of Catholic Schools Week. Participants: Ellen Valley, Selina Camerota, and Michelle Dumeny.

# The Prom

The Prom was held at the Coliseum in West Springfield, Mass. on May 4, 1981. The theme was "Memories Are Forever". Colonel Hazard provided the music for the evening.

## Arbor Day

**"How A Thing Grows In Human  
Memory And In The Human  
Imagination, When, Love, Worship,  
And All That Lies In The Human Heart,  
Is There To Encourage It."**

**Carlyle**

Tree planting is that special event in April when the sophomore class in the presence of faculty and student body plant their choice of tree. Lori Wyrostek is putting her spadeful of dirt around the class' selected Dogwood.

## May Crowning

**Mary, We Love You!  
You Are God's Mother And Our  
Mother.**

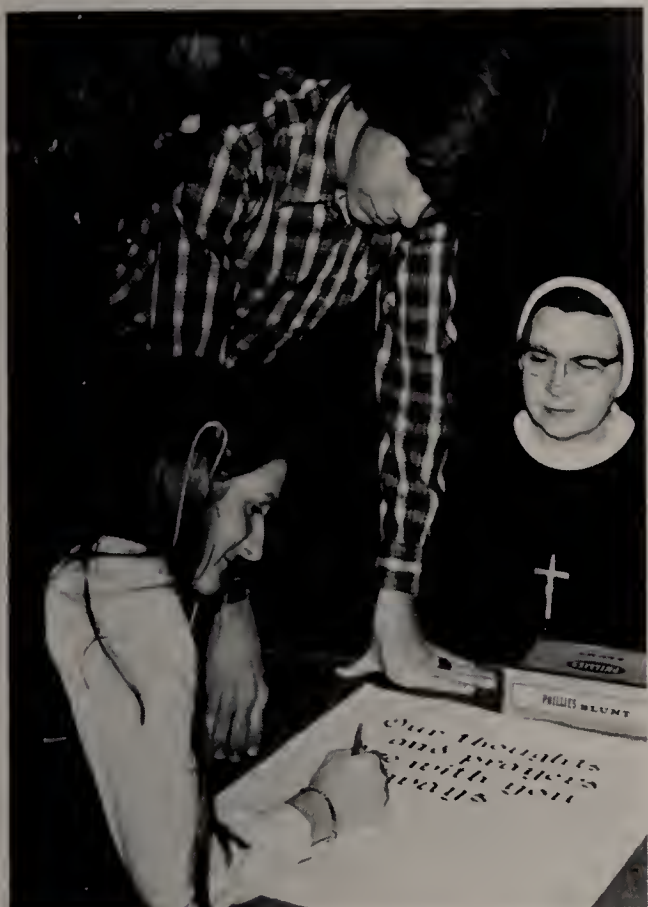

Under sunny skies and flowering magnolia trees, the Freshmen lead student body and faculty in special May Crowning ceremonies. The queen of the event, Sheila Rowan, is flanked by her attendants: Kelly Slamon and Lisa Russell (left) and Jennifer Katkavich and Michelle Dumeny (right). The crown bearer is Jo Ellen Graham.

# Event - A - Month

Event - A - Month was a pilot program initiated by Mrs. Mary Dumoulin this year at O.L.A. Every month a different project was planned and the entire school was invited to participate. Some of these events included a hayride, a rollerskating party, and several dances with the young men from St. Thomas Seminary.

# Field Day

The Juniors planned a very successful Field Day. Children from the Enfield Day Care Center were invited to share in the fun which included games, face painting, and a cook-out.

## "Miss American Teen"

Some of the O.L.A. students, under the direction of Mrs. Renee Bertrand, put on a play entitled "Miss American Teen". Performers included: (in tree from left to right) Andrea Siana, Dawn La Cafta, Jackie Skirvin, Laura Giuliano.

(standing from left to right) Mrs. Bertrand, Celine Landry, Carol Lake, Beth Horr, Gina Camerota, Kathy Shea, Sheree Kravac, and Miriam Gil.

Lord, help me to slow my pace for a moment . . .  
and reach into the treasures of my mind.  
In the precious memories that are uniquely mine,  
help me remember with tenderness  
those persons who have touched my life.

Let the places and things that I took for granted,  
tug at my heartstrings.  
Help me to recall the moments that have carved  
their image in my mind and heart . . .  
things that have moulded and shaped who I am today.

As I journey back through time . . .  
help me to see that You have always been part of my life,  
that we have met face to face many times.  
Thank You for always being there . . .  
and here with me today.

Help me to remember the most important thing of all,  
that today will be tomorrow's memory . . .  
and the beauty of it  
will be in the richness of Your presence.

MEMORIES

# Our Class History

Our first year at O.L.A. was a year of discovery. We made many new friends and became acquainted with many traditions. On Frosh Day, we were initiated by the Class of '78 and in a "Flight to Storyland", we were adopted by our Big Sisters who impersonated nursery rhyme characters. Later in the year, we helped our Big Sisters celebrate Ring Day by producing our own version of "The Gong Show".

Our second year at O.L.A. renewed old friendships and built new ones. The traditions we participated in this year included our class' production of "The Christmas Star" and the planting of a red maple tree on Arbor Day. At Graduation, we said goodbye to our Big Sisters and looked forward to receiving our own Little Sisters.

Our junior year at O.L.A. was filled with various activities. We adopted Little Sisters, received our Class Rings, held a candy drive and organized the Junior-Senior Prom whose theme was "Always and Forever". On Class Night, we received the Daisy Chain from the graduating Seniors and looked forward to our Senior year and our chance to pass "Seniorship" to another class.

The Class of '81 serves lunch to their Little Sisters on Adoption Day.

# Class Night

## June 5, 1981

"... Class night is a very special tradition at Our Lady of the Angels Academy. Tonight is important in a couple of ways. It not only marks the end of four years of high school, but it also gives the seniors one last chance to be together with each other, the faculty, our families, friends, and student body."

Terrie Henrich  
Salutatorian

Class Night '81 commenced with the entrance procession of the graduating class, followed by the singing of the national anthem by Mrs. Roland Dumoulin. Reverend George Keaveney, CSSR, delivered the invocation. Next, Terrie Henrich delivered the salutatory speech and the student body harmonized the school song "Pep".

Senior Advisor Sister Constance introduced the speaker, Mrs. Michele Perigard McEachern, alumna of the class of 1965. The theme of her address centered on hope. "There is no hint of despair in your souls ... we rejoice in the brightness of the light that you are."

Sister Dulcine presented awards to seniors and underclassmen. Therese Dumoulin received scholarships from the O.L.A. Guild and the Montessori Children's Home of West Springfield. Terrie Henrich was the recipient of the Enfield Lion's Club scholarship. The Evelyn Sheridan Memorial Award was given to Donna Kalinowski and Kim Foraker was awarded the Mount Carmel Society of Enfield Scholarship. Melanie Skirvin and Tracey Bitgood also received awards for study habits and effort. Underclassmen received awards for scholastic and athletic achievement.

Kim Foraker presented the class gift of stereo system components including a turntable and two speakers, to Sister Dulcine. Guild President, Mr. Robert Foraker, then distributed gifts to each graduate — a key chain engraved with OLA Academy 1981 graduate.

After the traditional singing of the song "Today" by the entire student body, Therese Dumoulin delivered the valedictory address emphasizing the positive qualities of hope.

"... We will never be through with our education, and graduation is only a beginning of a new kind of learning, not an end to all learning."

Therese Dumoulin  
Valedictorian

Class Night celebration closed with the seniors singing their class song, "Blazin' Your Own Trail" by REO Speedwagon. The most dramatic moment, however, was the traditional passing of the Daisy Chain.

Donna Kalinowski prefaced the "happening" with . . . "It is a symbol of continuity and responsibility. Those who accept it must also accept the responsibility to lead in spirit, friendship, and achievement."

## Daisy Chain

Seniors: To you we give this flower, a fragile thing, a symbol of all we found good here — friendship, fellowship, trust. Preserve it, cherish it. To you we give the task of bringing it, unharmed, through another year. To join the chain of years that binds us to each other.

Juniors: You have given us a challenge — to make ourselves better people, to make our school a better place. We accept; and pledge ourselves to guard this fragile symbol of our unity; the chain will not be broken.
